

where as there is an agreement with the inhabitation of springfield one  
the west syde of the river one the one part and Robert Poagg one the other  
part that the said Robert Poagg is to teach the children one the west syde of  
the great River to read & write that they send to him and for his recom-  
pence they are to provide for him a place for to live in washing lodging and come  
if sickness prevent not and if throughe sickness have enabled to see it then to be  
payed for the tyme he attend the work which this lord and thre pounys for wages  
to be payd one half in ray and the other half in indiane corne at the tounne pryce  
curreant and that Ebenezer Joanes and nathanial Morgane of springfield does  
undertake to gather in this pay for lord and wages the tyme began the last of  
may and ended by michelmes one thousand seven hundred and the said Ebenezer  
Joanes and nathanial Morgane the undertakers for the gathering of this pay  
of the severall inhabitation that are engaged to pay and the agreement that was  
writ they have accepted of it to their content and satisfied with it

Knowe all men by thes presents that I Ebenezer Joanes and nathanial  
morgane of springfield in the countie of Hamshire in the magistrats  
say in new england husband men doeth bynd them selves there heires  
and assignays to pay to Robert Poagg of Hatfield in the countie  
of Hamshire in the magistrats say in new england the some of six  
pounds twelf shilling the on half in ray and the other half in india-  
ne corne for lord and naiges for the teaching of the children one  
the west syde of the great river the above said Ebenezer Joanes and  
nathanial morgane doeth bynd them selves there heires  
ore assignes to the said Robert poagg his heirs ore assignes to pay in sp-  
ringfield on the west syde of the river wher I shall apoynt it by  
the middell of January on thousand seven hundred and by thes pres-  
ents that abovesaid Ebenezer Joanes and nathanial morgane of spring-  
field in the countie of Hamshire in the magistrats say in new  
england husband men doeth bynd them selves there heires  
ore assignes to Robert Poagg of Hatfield in the same  
countie and collme abovesaid to pay to him his heirs ore assignes the  
sum and just some of six pounds twelf shillings on half in ray  
and the other half indiane corne Equall in proportion at the toun-  
pryce curreant good and merchantable without fraud ore fraud ore  
further delay in witnes where of we set to our hands and seal the  
day of the first of february one thousand seven hundred  
before enscalling in the twintie thrie lyne four wordes bloted and
